

FORMA THERAPEUTICS HOLDINGS, INC.

Audit Committee Charter

I. General Statement of Purpose

The purposes of the Audit Committee of the Board of Directors (the “Audit Committee”) of Forma Therapeutics Holdings, Inc. (the “Company”) are to:

- oversee the accounting and financial reporting processes of the Company and the audits of the Company’s financial statements;
- take, or recommend that the Board of Directors of the Company (the “Board”) take appropriate action to oversee the qualifications, independence and performance of the Company’s independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company (the “Independent Auditors”); and
- prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

II. Composition

The Audit Committee shall consist of at least three (3) members of the Board, each of whom must (1) be “independent” as defined in Rule 5605(a)(2) under the Listing Rules of The Nasdaq Stock Market LLC (the “Nasdaq Rules”); (2) meet the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act; and (3) have not participated in the preparation of the financial statements of the Company or a current subsidiary of the Company at any time during the past three years.

Notwithstanding the foregoing, one director who (1) is not “independent” as defined in Rule 5605(a)(2) under the Nasdaq Rules; (2) satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder; and (3) is not a current officer or employee or a Family Member (as defined in the Exchange Act) of such officer or employee, may be appointed to the Audit Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination (or, if the Company does not file a proxy statement, in its Form 10-K or 20-F), the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve on the Audit Committee for more than two years and may not chair the Audit Committee.

Each member of the Audit Committee must be able to read and understand fundamental

financial statements, including a company's balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. One or more members of the Audit Committee may qualify as an "audit committee financial expert" under the rules promulgated by the SEC.

The Nominating and Corporate Governance Committee shall recommend to the Board nominees for appointment to the Audit Committee annually and as vacancies or newly created positions occur. The members of the Audit Committee shall be appointed annually by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Board. The Board shall designate one member of the Audit Committee to be Chairperson (the "Chair") of the committee.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly any consulting, advisory or other compensatory fee from the Company.

IV. Meetings

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this Audit Committee Charter (the "Charter"), but not less frequently than quarterly. The Audit Committee can meet in person or by conference telephone or other communications equipment by means of which all participants in the meeting can hear each other. A majority of the members of the Audit Committee shall constitute a quorum for purposes of holding a meeting and the Audit Committee may act by a vote of a majority of the members present at such meeting. In lieu of a meeting, the Audit Committee may act by unanimous written consent.

Periodically, the Audit Committee shall also meet separately with management, and with the Independent Auditors.

V. Responsibilities and Authority

A. Review of Charter

- The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend to the Board any amendments or modifications to the Charter that the Audit Committee deems appropriate.

B. Performance Evaluation of the Audit Committee

- Periodically, the Audit Committee shall evaluate its own performance and report the results of such evaluation to the Board.

C. Matters Relating to Selection, Performance and Independence of Independent Auditors

- The Audit Committee shall be directly responsible for the appointment, retention and termination, and for determining the compensation, of the Independent Auditors.
- The Audit Committee shall be directly responsible for the oversight of the work of the Independent Auditors (including resolution of disagreements between management and the Independent Auditors regarding financial reporting) engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.
- The Independent Auditors shall report directly to the Audit Committee.
- The Audit Committee shall pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board (the “PCAOB”)) to be provided to the Company by the Independent Auditors; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Company if the “de minimus” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.
- The Audit Committee may review and approve the scope and staffing of the Independent Auditors’ annual audit plan(s).
- The Audit Committee shall (1) request that the Independent Auditors provide it with the written disclosures and the letter required by PCAOB Rule 3526 (“Rule 3526”), (2) require that the Independent Auditors submit to the Audit Committee at least annually a formal written statement describing all relationships between the Independent Auditors or any of its affiliates and the Company or persons in financial reporting oversight roles at the Company that might reasonably be thought to bear on the independence of the Independent Auditors, (3) discuss with the Independent Auditors the potential effects of any disclosed relationships or services on the objectivity and independence of the Independent Auditors, (4) require that the Independent Auditors provide to the Audit Committee written affirmation that the Independent Auditor is, as of the date of the affirmation, independent in compliance

with PCAOB Rule 3520 and (5) based on such disclosures, statement, discussion and affirmation, take or recommend that the Board take appropriate action in response to the Independent Auditor's report to satisfy itself of the Independent Auditor's independence. In addition, before approving the initial engagement of any Independent Auditor, the Audit Committee shall receive, review and discuss with the audit firm all information required by, and otherwise take all actions necessary for compliance with the requirements of, Rule 3526. References to rules of the PCAOB shall be deemed to refer to such rules and to any substantially equivalent rules adopted to replace such rules, in each case as subsequently amended, modified or supplemented.

- The Audit Committee shall evaluate the Independent Auditor's qualifications, performance and independence, and shall present its conclusions with respect to the Independent Auditors to the full Board. As part of such evaluation, at least annually, the Audit Committee shall assure the regular rotation of the audit partners (including, without limitation, the lead and concurring partners) as required under the Exchange Act and Regulation S-X.
- The Audit Committee may establish, or recommend to the Board, policies with respect to the potential hiring of current or former employees of the Independent Auditors.

D. Audited Financial Statements and Annual Audit

- The Audit Committee shall review the overall audit plan (both external and internal (if any)) with the Independent Auditors and the members of management who are responsible for preparing the Company's financial statements, including the Company's Chief Financial Officer and/or principal accounting officer or principal financial officer (the Chief Financial Officer and such other officer or officers are referred to herein collectively as the "Senior Accounting Executive").
- The Audit Committee shall review and discuss with management (including the Company's Senior Accounting Executive) and with the Independent Auditors the Company's annual audited financial statements, including (a) all critical accounting policies and practices used or to be used by the Company, (b) the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" prior to the filing of the Company's Annual Report on Form 10-K, and (c) any significant financial reporting issues that have arisen in connection with the preparation of such audited financial statements.
- The Audit Committee must review:
 - (i) any analyses prepared by management and/or the Independent Auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements. The Audit Committee may consider the ramifications of the use of such alternative

disclosures and treatments on the financial statements, and the treatment preferred by the Independent Auditors. The Audit Committee may also consider other material written communications between the Independent Auditors and management, such as any management letter or schedule of unadjusted differences;

- (ii) major issues as to the adequacy of the Company's internal controls and any special audit steps taken in light of material control deficiencies;
 - (iii) major issues regarding accounting principles and procedures and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles; and
 - (iv) the effects of regulatory and accounting initiatives, as well as off-balance sheet transactions and structures, on the financial statements of the Company.
- The Audit Committee shall review and discuss with the Independent Auditors (outside of the presence of management) how the Independent Auditors plan to handle their responsibilities under the Private Securities Litigation Reform Act of 1995, and request assurance from the Independent Auditors that Section 10A(b) of the Exchange Act has not been implicated.
 - The Audit Committee shall discuss with the Independent Auditors those matters brought to the attention of the Audit Committee by the Independent Auditors pursuant to Auditing Standard No. 1301, Communications with Audit Committees, as amended ("AS 1301").
 - The Audit Committee shall also review and discuss with the Independent Auditors the report required to be delivered by such auditors pursuant to Section 10A(k) of the Exchange Act.
 - If brought to the attention of the Audit Committee, the Audit Committee shall discuss with the Chief Executive Officer and Chief Financial Officer of the Company (1) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act, within the time periods specified in the SEC's rules and forms, and (2) any fraud involving management or other employees who have a significant role in the Company's internal control over financial reporting.
 - Based on the Audit Committee's review and discussions (1) with management of the audited financial statements, (2) with the Independent Auditors of the matters required to be discussed by AS 1301, and (3) with the Independent Auditors concerning the Independent Auditor's independence, the Audit Committee shall make a recommendation to the Board as to whether the Company's audited financial statements should be included in the Company's Annual Report on Form 10-K for the

last fiscal year.

- The Audit Committee shall prepare the Audit Committee report required by Item 407(d) of Regulation S-K of the Exchange Act (or any successor provision) to be included in the Company's annual proxy statement.

E. Unaudited Quarterly Financial Statements

G. Risk Assessment and Management

- The Audit Committee shall discuss the guidelines and policies with respect to financial risk assessment and risk management, including guidelines and policies to govern the process by which the Company's exposure to risk is handled, assess the steps management has taken or proposes to take to minimize such risks to the Company and periodically review compliance with such steps.
- The Audit Committee may discuss or consider the legal and regulatory requirements applicable to the Company as well as legal matters that may have a material effect on the Company's financial statements and its policies and procedures for compliance with such applicable legal and regulatory requirements.

H. Procedures for Addressing Complaints and Concerns

- The Audit Committee shall establish procedures for (1) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters and (2) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

The Audit Committee is authorized, on behalf of the Board, to do any of the following as it deems necessary or appropriate:

A. Engagement of Advisers

B. Conflicts of Interest

- The Audit Committee shall conduct an appropriate review of all related party transactions for potential conflict of interest situations on an ongoing basis, and the approval of the Audit Committee shall be required for all such transactions. The Audit Committee may establish such policies and procedures as it deems appropriate to facilitate such review.

or any other professional retained by the Company to render advice to the Company, attend a meeting of the Audit Committee or meet with any members of or advisers to the Audit Committee.

- The Audit Committee is authorized to incur such ordinary administrative expenses as are necessary or appropriate in carrying out its duties.

Notwithstanding the responsibilities and powers of the Audit Committee set forth in this Charter, the Audit Committee does not have the responsibility of planning or conducting audits of the Company's financial statements or determining whether the Company's financial statements are complete, accurate and in accordance with GAAP.
